To the Honorable Mayor and Town Council  
Town of Wethersfield  
Wethersfield, Connecticut

In accordance with State of Connecticut requirements, we present the following report which describes the results of our testing of State financial assistance.

### **Compliance**

We have audited the compliance of the Town of Wethersfield (the "Town") with the types of compliance requirements described in the *Office of Policy and Management Compliance Supplement* that are applicable to each of its major state programs for the year ended June 30, 2006. The major state programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major state programs is the responsibility of the Town's management. Our responsibility is to express an opinion on compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the State Single Audit Act (C.G.S. Sections 4-230 to 4-236). Those standards and the State Single Audit Act require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major state program occurred. An audit includes examining, on a test basis, evidence about the Town's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the Town's compliance with those requirements.

In our opinion, the Town complied, in all material respects, with the requirements referred to above that are applicable to each of its major state programs for the year ended June 30, 2006.

### **Internal Control Over Compliance**

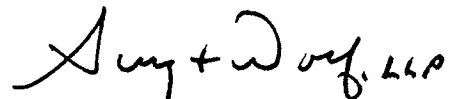

The management of the Town is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to state programs. In planning and performing our audit, we considered the internal control over compliance with requirements that could have a direct and material effect on a major state program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with the State Single Audit Act.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants caused by error or fraud that would be material in relation to a major state program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

**Schedule of Expenditures of State Financial Assistance**

We have audited the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town as of and for the year ended June 30, 2006 and have issued our report thereon dated November 25, 2006. Our audit was performed for the purpose of forming opinions on the financial statements that collectively comprise the Town's basic financial statements. The accompanying schedule of expenditures of state financial assistance is presented for purposes of additional analysis as required by the State Single Audit Act and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

This report is intended solely for the information and use of the Mayor, Town Council, Board of Education, management, the Office of Policy and Management and state awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

**FOR THE YEAR ENDED JUNE 30, 2006**

---

Various departments and agencies of the State of Connecticut have provided financial assistance to the Town of Wethersfield through grants and other authorizations in accordance with the General Statutes of the State of Connecticut. These financial assistance programs fund several programs including education, tax reimbursement, transportation and public safety programs.

**SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The accounting policies of the Town conform to generally accepted accounting principles as applicable to governments. The following is a summary of the more significant policies relating to the aforementioned grant programs.

***Basis of Accounting***

The financial statements contained in the Town's annual audit report are prepared on the modified accrual basis. The following is a summary of such basis:

- . Revenues are recognized when earned. Certain grants are recognized based on grant award since they are considered entitlement grants; other grants, which are dependent upon expenditure factor for determining eligibility recognize grant revenue to the extent of expenditures.
- . Expenditures are recorded on the accrual basis. Encumbrances are reflected as a reserve against fund balance and accordingly are not reflected as an expenditure.

The Schedule of Expenditures of State Financial Assistance, contained in this report, is prepared based on Section 4-230-19 of the Single Audit Act. In accordance with this section, certain grants are not dependent on expenditure activity, and accordingly, are considered to be expended in the fiscal year of receipt. These grant program receipts are reflected in the expenditures column of the Schedule of Expenditures of State Financial Assistance.
